Manufacturer Declaration - NOT for MEDICAL PURPOSES

**Contents: HS 5601.22.0000 - Cotton brushes for saliva samples - genealogy purposes
(NOT for MEDICAL PURPOSES)**

Country of Origin: United States - All components were manufactured & assembled in the U.S.A.

Purpose/Use: The contents listed above are being returned to the United States for human genealogy research (non-medical) processing and **have NOT been advanced in value or improved in condition by any process of manufacture while abroad.**

U.S. PHS Import Permit is NOT Required (42CFR, Section 71.54 (f)): A U.S. PHS Import permit is NOT required as the nucleic acids cannot produce infectious forms of any infectious biological agent and the specimen is accompanied by an importer certification statement confirming that the material is not known to contain or suspected of containing an infectious biological agent.

I, Kelly Jenkins, declare that the contents described above were manufactured in the United States. This package does not contain dangerous goods, drugs, medications, flammable materials, liquid nitrogen nor any animal or cell culture-derived products.

Sincerely,

Kelly Jenkins
Vice President, Operations
