Shipping Terms

Incoterms: DDP (Delivered Duty Paid)

- All duties, taxes, and shipping fees must be prepaid by the sender before the shipment arrives in the USA.
- Shipments sent without DDP will be rejected unless a DAP shipment was arranged with Customer Service in advance.

Declared Customs Value $1.00 USD - No Commercial Value

■ **Shipments without DDP will be rejected and returned unless arranged with Customer Service in advance.**

Customs Declaration — Use Exactly as Written

50-CHARACTER DESCRIPTION (if the carrier limits the field)
Exempt noninfectious buccal swab ancestry research

BRIEF DESCRIPTION
Exempt Human Specimen - Ancestry Research Only - Not Medical / Not Diagnostic Sample. No Commercial Value - Customs only.

FULL DESCRIPTION (if required by carrier)
Returned ancestry kit containing non-infectious buccal swabs in cell lysis buffer for ancestry research only. Non-medical, non-diagnostic, and not for human consumption. This package does not contain dangerous goods, drugs, medications, flammable materials, or liquid nitrogen.

Declared Customs Value $1.00 USD - No Commercial Value

Required HTS Code and FDA Status

HTS 3002.90.5250 (6-digit: 3002.90)
Exempt human specimen

Collection Kit FDA Exempt
Class I, 21 CFR 864.3250 | FDA Reg. No. 3007261225

Final Instructions

- Confirm shipment is set to DDP, with all duties and taxes prepaid before it arrives in the USA.
- Ensure HTS code 3002.90.5250 (6-digit forms: 3002.90) is included in customs filing.
- Attach the **RED** "Documents Enclosed" pouch to the **outside of the final shipping package** so customs agents can review the paperwork without opening the package.
